

In One Vision

Expand your Vision and Live your Passion

presented by Barry Auchettl

In One Vision covers aspects of both physical and inner vision. It enhances self-awareness and the discovery of unseen potential within. In the process, your physical vision becomes clearer.

Are you looking for clarity and to expand your vision on all levels?

Personal benefits of In One Vision

- Physical eye exercises to reduce dependency on glasses
- How to look after your eyes from the impact of TV & computers
- Learn to take personal responsibility for the way you see
- Energise the body through left-right brain exercises
- Understand the importance of clearing unconscious sabotage programs
- Discover the wisdom of sharing
- Learn to see from the heart rather than from the head

Hear the inspirational story of Barry who overcame life threatening situations and the need for wearing glasses, and is now helping to empower the lives of people around the world. Included are practical ways for improving your own eyesight as well as demonstrations of sabotage clearing and an innovative game called 'Conversations'. Time will be allowed for questions.

Barry Auchettl M.Ed. B.Bus. Grad.Dip.R.E. from Australia has a Masters of Education focusing on the detrimental effects computers have on eyesight. He is also trained in a number of healing modalities and is the author of 'In One Vision', 'The Scan Charts' and 'Conversations: an inspirational game'.

"I wear glasses and have done since I was seven. I learnt that it was possible to find perfect vision. As I tried to sleep that night I was surprised that I could actually read the digits on my bedside clock. They had a clarity that I had not thought possible. For me it was a moment to treasure. Not only did this impact on what I could see but also on my outlook of life itself." Richard (New Zealand)
